Chairman's Message

A few days ago Her Gracious Majesty, Queen Elizabeth II arrived in this State to spend a short time with us. Her arrival was greeted with the very well deserved adulation of her New South Welsh subjects and her stay was received with an unreserved enthusiasm born of a genuine affection and a deep respect. She is now continuing her Australian tour in other States and they too are receiving her with the same sentiments.

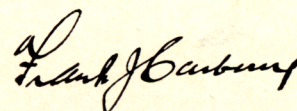

All this gives rise to the thought that we are fortunate indeed to have our existence under a system which can so successfully combine all the advantages of a democracy with the inspiration and guidance of a monarchy.

In these days when so large a percentage of the world's population is living under totalitarian regimes, whose selfish philosophies were brought home to us so forcibly during the war, the Commonwealth's democratic monarchy stands out like a beacon. Under it we live, not with fear and subjugation in the shadow of an interational crisis,

but with dignity and freedom, hope and security, trust and friendship.

So at this time, when it is most appropriate for us all to do so, let's count those blessings which we tend to take so much for granted during the daily course of our lives. Let's be grateful that our national destinies are guided by the sound and human philosophy of which our Queen is the epitome and the example and our private lives blossom unmolested under them.

In this vein let us offer a hearty welcome to our Queen and pay her the allegiance which she, and the principles for which she stands, so very richly deserves from all her subjects.

EX-CHAIRMAN RECEIVES HONOUR

Over the years many of our members have been honoured by our Monarchs but the news of none has been received with more pleasure by our members than that of Stanley Edward Chatterton, our ex-Treasurer and Chairman, who received the C.B.E. in the Queen's New Year's Honour List.

S. E. Chatterton was elected to Tattersall's in 1928 and became Treasurer four years later in 1932. This post he held for fourteen years and distinguished himself as a fine Treasurer and a sincere and hard working Committeeman. It was therefore natural that he would be elected to the Chair of the Club and this he was in 1946. Here again, he graced this office with distinction until his resignation in 1949, soon after which he was made a Life Member of our Club.

Stan has always been a keen social worker and has been a Director of the "Smith Family" since 1927. He was elected President of this body in 1939 and holds it still. It was in recognition of his efforts on behalf of this very worthy organisation that he received his C.B.E.

In 1959 he donated £50,000 to the Sydney University's Nuclear Research Foundation, of which he is Governor.

The members of Tattersall's with whom you have been so closely associated over the years offer you their sincere and enthusiastic congratulations on this honour that has so justly been bestowed upon you, Stan.

GOOD WISHES TO SIR ADOLPH

It was a very great shock to us all to hear last month of the illness of our popular member and noted philanthropist, Sir Adolph Basser. As is common knowledge now, he was taken ill very suddenly. Although still a very sick man, reports on his progress are very encouraging indeed. When we went to press the news was that he was recovering steadily and surely, and there was every reason to believe that he could look forward to a complete recovery in due course. To you, Sir Adolph, we here at Tattersall's say that we sincerely hope so. Your presence in the Club has been very sadly missed since your illness, and your many friends, both those you know and those you don't know, send you their best wishes and the hope that it won't be long before you are back with us again, your usual happy and healthy self.

CLUB IMPRESSES OVERSEAS VISITORS

During the latter part of January Club members Dick Dowling, Harry Pill and A. V. James made very good use of our dining room to entertain a personal friend and colleague from overseas. The guest in question was Mr. N. G. Bassett Smith, who brought with him the charming daughter of an old army friend. She was Miss Angela Dance. Both our English visitors were shown over the Athletic Department—at an appropriate time, of course, in view of the presence of one of the opposite sex—and were very much impressed. Both Mr. Bassett and Miss Dance are very interested in racing in England, and found our facilities throughout the Club lost nothing by comparison with those in other parts of the world. It is indeed gratifying to hear such praise from overseas visitors, and to both we send best wishes for a very happy and instructive stay in Australia and a happy return to their homeland.

GREETINGS FROM THE HOLY LAND

A letter dated before Christmas, which must have gotten mixed up somewhere along the way, arrived in our mail bag this month, so we give you this somewhat belated message from our very good friend and member, John Wars. Says John:

"I should like to extend to my many club friends sincere greetings from the Holy Land. I am busy establishing here a subsidiary for Pioneer Concrete, and find the job formidable and challenging, but at the same time interesting and stimulating. I hope to be back in Australia towards the latter part of 1963."

The job certainly must be a man-size one, John, but, as you say, interesting and stimulating. Your friends from Tattersall's wish you every success with it and also the great satisfaction that comes with beating such a challenge. We also reciprocate your greetings and good wishes and will look forward to seeing you again when your task is completed.

32 YEARS MARRIED

Hearty congratulations to Keith and Mrs. Urquhart, who this month celebrate their thirty-second wedding anniversary. In these days that's an achievement indeed. We here at Tattersall's wish you both lots of happiness and many, many more years of "wedded bliss."

TOP POST FOR MEMBER

Our well-known member, John Armstrong, is the recipient of our very hearty congratulations this month on his appointment to the Chairmanship of the Sydney County Council. This is a most important post and one calling for the best in executive ability and administration knowledge. John Armstrong brings to it just that as he has demonstrated many times over throughout his colourful political career. Your fellow-members are pleased indeed to hear of your well-deserved appointment. They wish you well in it and know that you will be able to look forward to a long and satisfying term of office.

* * *

SOMETHING TO WRITE HOME ABOUT

We noticed our Secretary looking rather pleased with himself last month and wondered why until we remembered a paragraph we ran some few months back. It referred to a Ken Binns who was then leaving with the Australian Amateur Squash team for an overseas tour. It is now past history that this team made a clean sweep of all the championships they entered and virtually finished up as world amateur champions, thus putting Australia on the international map in yet another sport. Those who read our paragraph will recall that Ken Binns is Lyal's nephew, which accounts for Lyal's well justified smirk of satisfaction. Perhaps through yourself and Ken, Lyal, we could pass on from Tattersall's our congratulations to the team members who did such a wonderful job for Australia.

BUILDING AND BIRD WATCHING

Always something of a man-in-a-hurry, our ex-committeeman, life member and very good friend, Bill Sellen, is even busier than ever these days. The reason? Bill is in the middle of building a new "Shack." This, however, isn't the usual commuter's dwelling, but is situated at Kurmond, a delightful locality, which, as the name suggests, lies about midway between Richmond and Kurrajong. Bill, although a regular man-about-town during the week, has always been a really get-away-from-it-all fan on the week-ends, most of which he has spent in the bush for several years now. As all his friends know, he had a very well appointed caravan on wheels set up for just this purpose. There's no doubt that it won't be getting as much use in the near future as it did, for Bill will be able to have all the pleasures of the bush in his "Shack" plus all mod. cons. Not only that, but we hear that there are birds a plenty around Kurmond way, so he'll be able to follow his recently acquired hobby of watching our feathered friends during the extended week-ends, say Thursday to Tuesday, that he hopes business will permit him to spend up there. Good luck and some well-deserved relaxation at Kurmond, Bill.

FAMOUS STUD

Veteran racing men will have no trouble recalling the name of James White, who was one of the most colourful figures in the racing game towards the end of the last century. At the time, he owned a very well known stud property at Muswellbrook, called "Edinglassie," which was not subsequently used for breeding purposes from the time he sold it until recently. The man who restored it to its original use is none other than our popular member, Allan Morrisby, who now runs brood mares on it, as well as some cattle. Allan, who pays us regular visits whenever he is in town, tells us that he recently became part owner of a very famous sire which is to be imported into this country. This is **Ruler**, by the sensational sire **Nasrullah**, and Allan will be putting some of his mares to him when he arrives. No doubt this will produce some interesting progeny in the years to come. Your fellow-members hope they will be as outstandingly successful as their breeding indicates they should be, and wish you the very best of luck with them, Allan.

S. PETERS NAMED C.C.C. CHAIRMAN

Since entering civic affairs a few short years ago the irrepressible Sam Peters has proved himself a very able administrator and leader. That he distinguished himself in this field was borne out last month when he was appointed Chairman of the Cumberland County Council. This, as everyone knows, is a most important position, and one which carries a considerable amount of responsibility. All those who know Sam or who have had dealings with him have no doubt that he will acquit himself with distinction. We all congratulate you on your appointment, Sam, and feel sure the council will benefit considerably from your very able leadership.

VINCE McALOON MAKING GOOD RECOVERY

Club member Vince McAloon is making a good recovery at his home at Cronulla after three weeks in St. Vincent's Private Hospital as a result of an accident. Doctors have ordered complete rest for some time, but he is cheerful and full of hope, and sends his regards and thanks to his many well-wishers.

BATTING ON

Jack Murray, who has been sick, improved in health in time for the cricket Test. Nice work, Jack, all your friends are looking forward to seeing you back in the Club.

IT'S TOUGH IN THE PICTURE BUSINESS

The members of our rather large motion picture fraternity with the Club have often been heard to lament the fact that it's tough in the picture business. Those who were inclined to treat this as a demonstration of self pity can now do a retake, for no less than three of the industry's top executives recently suffered coronaries, generally accepted as the penalty for working at top pressure. The unfortunate victims are Clive Arnott from Hoyts, Bernie Freeman from Metro., and Dan Casey from Universal. However, we're pleased to report that all are doing well and suffering no further inconvenience than having to take things a little easier. (Who said it was an inconvenience, anyway?) Your fellow-members are sorry to hear of illnesses, gentlemen, and suggest that perhaps the best remedy might be to try another profession. Something quiet and sedate like professional punting, for instance. Seriously, we all wish you good health and good luck for the future.

* * *

THE PASSING OF A GOOD FRIEND

It was with great sadness that members heard last month of the passing of Reg Alderson. Of all the regulars who attended the Club none was more consistent than Reg, and one wondered what had happened on the day that Reg was not present in his usual corner. Over the years Reg made many friends in Tattersall's, where he was admired and respected by veteran and younger members alike. His usual corner will therefore look bare indeed now that he will not be coming to fill his place in it. We will sorely miss this fine member and though others may come and go no one will ever quite take Reg's place.

STAFF CRICKETERS FAIL AGAIN

News of the England-Australia Tests paled into insignificance late last month when once again the mighty Tattersall's and A.J.C. cricket teams locked horns in another epic battle. Unfortunately, the expected and much prophesied Tattersall's victory did not materialise, and the A.J.C. were the winners by some thirty-eight runs. However, we understand the struggle was a memorable one and, despite our loss, some excellent performances were turned in by some of our players. These were notably Jim Thomson, from the office, who top-scored with a dashing thirty-three, and Mike Murphy, star wicket-taker, who finished with a devastating four for thirty-five. Our once voluble star, Lyal Binns, was strangely reticent when interviewed, and would not disclose his own score. We have it on reliable authority that he made a rather disappointing three. Be that as it may, we commiserate with our team and wish them better luck next time.

YACHTING VICTORY FOR MEMBER

In our December issue of T.C.M. we included a paragraph on our member, Wally Kestel, and mentioned the fact that to the best of our knowledge he was the first member to enter a yacht in the Sydney-Hobart yacht race. His craft was the Galatea M, and was the smallest boat in the race. Well, Wally proved that you don't have to be the biggest to be the best, for he brought Galatea M in third in a race famous not only for the quality of the craft engaged but for the skill of the skippers as well. Wally's placing was therefore a great tribute to his boat and to his personal sailing skill as well. This paragraph was destined to go in our January issue, Wally, but through an oversight was mislaid until now. We therefore offer you belated but nonetheless sincere and enthusiastic congratulations on your very well deserved victory. May you go on to more similar successes, perhaps even the first place in next year's classic. We'll be looking out for news of you and Galatea M in the future.

* * *

ON THE SICK LIST

Two of our members who we recently heard had been on the sick list were Len Fienberg and Louis Scott-Ehrenberg.

Len was in the Royal Newcastle Hospital after having had some gallstones removed. However, the irrepressible Len was not put out too much by the situation and during his stay took the opportunity of following the Test Matches ball by ball on the radio and T.V. Len was due out about the middle of February and though we haven't been able to verify his "release" at the time of writing we assume he is now convalescing at home. We all hope so, Len, and wish you good health for the future.

Louis unfortunately suffered a spinal injury and was wearing a collar for treatment. To you, also, Louis, we wish a happy return to good health.

To other members who may be sick and about whom we have not heard we also offer our best wishes for speedy recoveries and an early return to the Club.

ALF BOA LEAVES FOR U.S.A.

Alf. A. Boa, managing director of Automatic Totalisators Ltd., leaves again this week for U.S.A., Canada, and South America. His company have recently installed large orders for tote equipment overseas, and he is very hopeful of further contracts being obtained.

UNIQUE HONOUR FOR HON. BILL SHEAHAN

Our distinguished member, Bill Sheahan, has had many great compliments paid to him in a public and private capacity in his time, but probably none more flattering than that which he received last month. On the 16th he opened the Smithton Public Hospital at Devonport in Tasmania at the invitation of the Tasmanian Minister for Health, the Hon. W. D. McNeill. This is an unprecedented action for the Minister in one State to be invited to perform such a distinguished function by the Minister of another State. It is indeed a great tribute to Bill Sheahan, and one which is clearly indicative of the prestige he enjoys right throughout Australia. To Bill, we say congratulations on this signal honour bestowed upon him by his counterpart in Tasmania, and feel very proud indeed that he is associated with our Club.

MAKING THE MOST OF THE CLUB

It is always good to see members making the most of the Club's facilities, and this particularly applies to our good friend, R. W. Norman, who is one of our most regular attendees. R. W. Norman is Deputy Chairman of the Bank of N.S.W., but still finds time amid the onerous duties which such a position demands, to make frequent use of his Club. Nice to see you so often, Mr. Norman.

Distance cuts for great old races

FARCE OF THE LONG WEIGHT FOR AGE EVENTS

The Australian Cup to be run at Flemington on March 11 is the last of the marathon races to lose its long distance prestige.

The original distance from 1863 was $2\frac{1}{4}$ miles. This was reduced in 1943 to two miles $1\frac{1}{2}$ furlongs. This year the journey has been further whittled to $1\frac{3}{4}$ miles.

Perhaps the Australian Cup, now unimportant because it is contested by few of the outstanding horses, will survive, but practically all the other fatiguing contests have gone by the board.

There was once a 10 mile race for thoroughbreds six times round the Wagga course in 1868. In a ding-dong finish Australian beat Comet by only a length. The time was 23 min. 35 secs. which worked out at more than even time—two minutes per mile.

The city racecourses ran three mile tests, notably the Australasian Champion Stakes which lasted from 1859 to 1915. Originally it was run at the principal courses of New Zealand, Queensland, Victoria and Tasmania, but later it became a permanent item in the Flemington Autumn programme and the last was won by Sydney champion staying mare Carlita in 1915.

Some of the old timers were unsurpassed in their cruelty to their thoroughbreds. In 1866 later A.J.C. Chairman Andrew Town's Tarragon dead-heated John Tait's Volunteer. In a run-off they tied again but the owners insisted on a deciding heat and Tarragon was successful. But the time was 5 47, which was slower than many three mile Grand Nationals over hurdles at Flemington.

There was another dead-heat in the Champion Stakes in 1896 between Wallace and a champion mare Quiver but their owners were more kindly and no run-off resulted. Wallace became a champion sire a few years later and got many winners of all important races, including two Melbourne Cups with Kingsburgh and Patrobas.

John Tait, owner of Volunteer, beaten after two dead-heats in the 1866 Champion, was a famous owner-trainer of stayers who won

the 1868 Melbourne Cup with The Barb (6 9) and two Sydney Cups in 1868-9 with The Barb 8 12 and 10 8. Subsequently he also won the Champion.

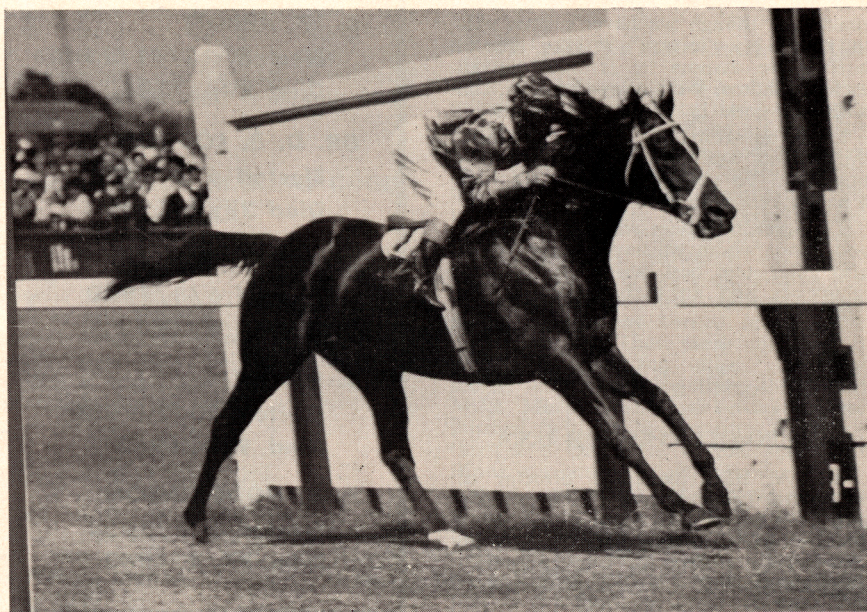

The 1872 Australian Cup then $2\frac{1}{4}$ miles gave a cruelty-to-thoroughbreds contest when Saladin got the result after two dead heats from The Flying Dutchman. The gruelling contests effectively clipped the wings of The Flying Dutchman.

Sydney's chief distance weight for age races the Cumberland Plate two miles and A.J.C. Plate three miles had their distances curtailed to $1\frac{3}{4}$ miles and $2\frac{1}{4}$ miles respectively but eventually they were cut out of the A.J.C. Autumn programme.

No wonder! In 1920 three of Australia's best stayers Poitrel, Kenauquhair and Meliame competed. They walked off the mark and L. A. Walker with a view to making certain that he was not forced into the role of pacemaker cantered his mount in the opposite direction. But eventually he had to take up the running because Walker could not hold him back to the other pair who trotted and cantered. Eventually Meliame collapsed but was given third prize by a sympathetic judge, £250.

Eventually 9/4 on favourite Poitrel won the race by three quarters of a length. The time, 6 $32\frac{1}{2}$, was again much slower than a Grand National Hurdle. Poitrel won the

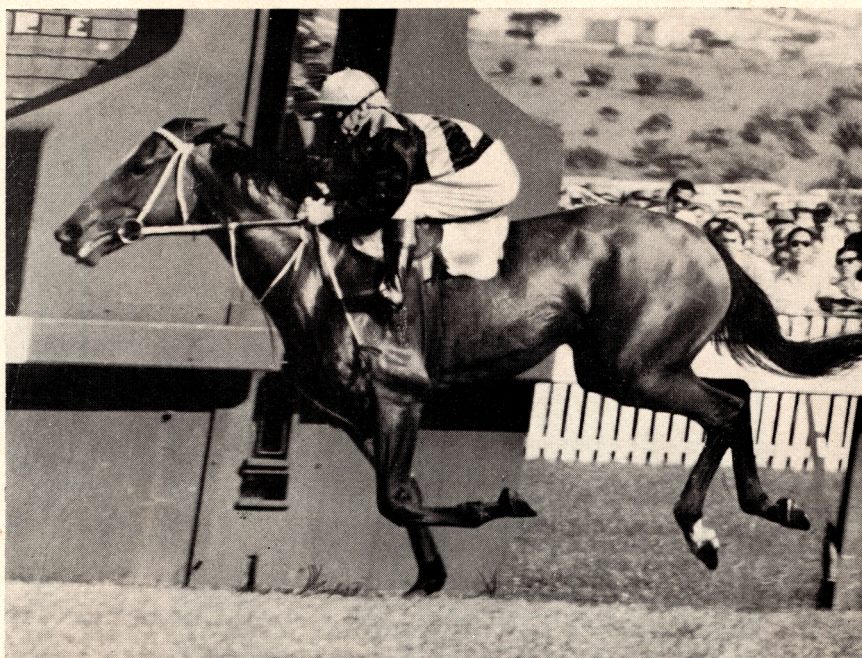

Aquanita, easy winner of the Duke of Edinburgh Stakes at Flemington on February 23. This, his 28th success, raised his earnings to £59,593.

Melbourne Cup seven months later with 10st. Kennaquhair won a Metropolitan and Sydney Cup and with 9 0 was second to Nightwatch (6 9) in the 1918 Melbourne Cup. The Randwick Plate two miles on the last day of the A.J.C. Spring carnival was often a good pointer to the Melbourne Cup a few weeks later, but when owners of the champion stayers skipped it to hurry to Melbourne for Caulfield and Flemington, the A.J.C. retaliated by dropping it.

So now the longest weight for age races of Randwick and Flemington are no more than 1½ miles. Such races are long enough to provide good keen sport and too short to permit of the farce enacted in Poitrel's 1920 A.J.C. Plate.

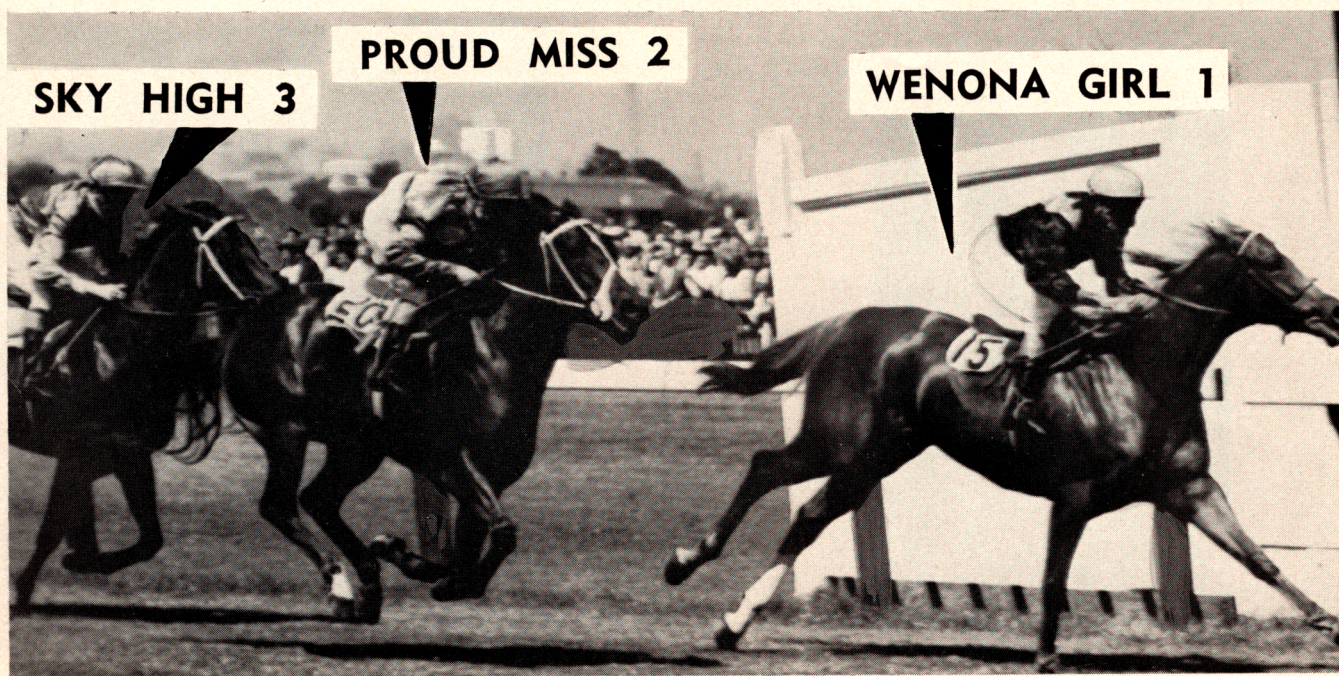

One A.J.C. Plate broke away from the comic interlude of 1920. This was Phar Lap's race in 1930. The distance had by then been reduced from three miles to 2¼ miles. Phar Lap then a three year old went straight to the front to a big lead, broke the existing mile and a quarter, the mile and a half, two miles and two and a quarter miles

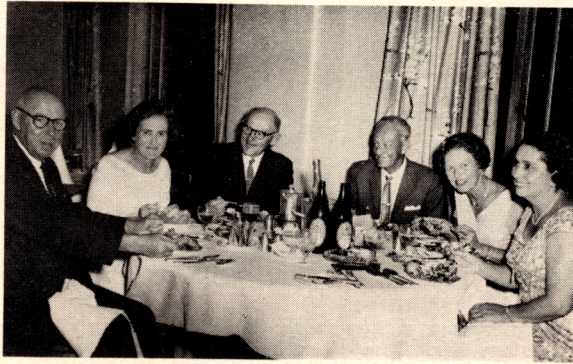

Jan's Image scores an impressive victory in the Randwick Flying Hcp. on February 23 for Mr. Justice Dovey. Mr. Dovey has been a member of Tattersall's Club since 1928.

records for Randwick and scored by 10 lengths from Nightmarch who a few months before had beaten him in the Melbourne Cup.

It was perhaps the greatest exhibition of ultra speed and stamina ever executed on the Australian Turf.

Wenona Girl winning the Lightning Stakes weight-for-age at Flemington on February 23 in the presence of Her Majesty the Queen. At this point Wenona Girl had earned 19 wins and £44,385, making her the greatest stake-winning mare in Turf history. She carries the colours of Mr. W. Longworth, who has been a member of Tattersall's Club for 49 years and Chairman of the Sydney Turf Club for four years.

CONGRATULATIONS

Our hearty congratulations go to our very colourful fellow-member, Sir Frank Packer, on his election to the A.J.C. Committee. Sir Frank defeated two other candidates in a poll which the A.J.C. described as one of their best supported ever. Sir Frank brings to his new post a characteristic enthusiasm born of a long interest in racing. He has been for many years a well known owner and his paper the Daily Telegraph has supported the sport in very positive ways.

As is now well known it is providing spectacular prize money which has done a great deal to attract top line entries and so create greater public interest.

Sir Frank himself has always been a great all-round sportsman and in his younger days was best known for his polo playing where he distinguished himself as a courageous and forceful player. He is now of course well known throughout the international sporting world for his instigation of the Gretel challenge for the America's Cup.

Everyone who knows Sir Frank unanimously agrees that he will bring to his post a forcefulness, breadth of vision and sporting experience which can't fail to make him an outstanding committeeman and a great acquisition to the A.J.C.'s controlling body.

Your fellow members wish you success and satisfaction from your appointment Sir Frank and hope you will fill this post for many years to come.

Keen Finishes For February

Keen finishes were the order-of-the-month for February and many matches had those who watched on their toes with excitement. We also enjoyed excellent attendances and had many of our absent members back on a regular basis once again.

All in all February was a really good month with the Bowling Section although visitors were not as numerous as in the past. However, it is only natural that the number of those who come along to be with us should fluctuate from time to time and we can't win 'em all as the saying goes. We'll look forward to some better figures for March and I'm sure we'll get them as in the past.

Matches were certainly not lacking in quality during the month and these were helped by the visitors we **did** have all of whom played well.

We were pleased to see all the old stalwarts present on most of our days for the roll up of the regulars points up the fact that interest is high in the Section.

We can't let this issue go by without saying a word about the excellent job our Secretary is doing. Lou had a busy month selecting teams and getting each day away to a smooth and good start and so goes on proving himself "the man for the job" in no uncertain terms.

President Ken Williams was no less active and his presence on all occasions was an inspiration to the players and visitors alike. He always had his eye peeled to see that those present were enjoying themselves and being well looked after.

We certainly hope Tattersall's punters are being looked after for on several occasions we noticed Homer Jones and Alick Gibson hurrying away from settling in time to play with us. That's keenness for you.

As usual Jack Phillips and Bert Levey were with us on all days and it is good to see that Frank Foskey is keener than ever even if it is primarily on the machines.

We were pleased to welcome Duncan McFarlane back from our Sister Dominion and he too has been keener than ever. He hasn't been absent a day since his return

so he must have missed the activities of the Section while he was away. It's also good to have Peter McGrath and George Flemming back in the fold and them too we welcome on their return to our activities. We can say the same to Noel Hough, Tim Rennison, Gordon Booth and Clive Hoole all of whom it is good to see again after lengthy absences.

Our trophy winners for the month were:

Fred Empsom, Len Burke and Noel Hough on the 14th February, and Clive Hoole, Gordon Booth and Bernie Curran on the 21st. Congratulations to all these members of the Section. They all played very well and well deserved their respective victories.

Our Secretary, Lou Moss, would like it generally known that he has by no means forgotten our Club Championships. The only thing that has been holding him back up to date has been the unavailability of greens. He has asked us to assure you that just as soon as green space is available again he will get them under way. All Double Bay greens will be back in play in about six weeks so we can look forward to a starting date very early after that time.

We were pleased to see Tattersall's Club members Bert Diamond and Charlie Cohen chalk up a very well deserved win in the Bondi Seagull trophy final on the 20th of last month. The game was a very exciting one and both players came with a fine finishing run to record their victory. At one stage they were trailing 21 to 9 with only five ends to go and looked well beaten. But demonstrating their "match temperament" clearly they recorded a 5,5,4,2 to lead by 25 to 21 with only one end to go. They gave everyone a fright on the last end when their opponents scored a three but of course came out the winners by 25 to 24. A close and exciting finish to an excellent match. Heartly congratulations to you both and

may you go on to bigger and better wins in the future.

All members would like to say bon voyage to Cedric Emanuel and Bernie Larkin who left with their good ladies on a holiday overseas. We have no doubt that they will have an excellent time and maybe get in a game or two of bowls while they are absent from our shores. Have a good trip and come back keener than ever. (Maybe we'll see another page of your illustrations in T.C.M. as we did last time when you return, Ted.)

All bowlers were deeply saddened to hear of Sir Adolph Basser's illness last month. We all offer him our wishes for a speedy recovery and the hope that he will be back with us in the not-too-far-distant future. As such generosity and thoughtfulness as Sir Adolph has demonstrated over the years surely deserves the blessing of good health and happiness we feel confident that he will be his old self again soon.

Treasurer Maurice Watson asked us to give you a "nudge" about subscriptions. So members who have not as yet paid are reminded that these are now due. Maurice will be pleased to have your cheque for one guinea so that he can get his books straight and squared away for 1963. Don't forget. Bring yourself financially up-to-date and send Maurie a cheque if you haven't already done so.

On a sad note it was a grievous loss to the Section to hear of the death of Don Passmore recently. Don, who was well known in Sydney business circles as a partner in the stockbroking firm of Mullins and Co., had not been a regular of the Section for the last year as ill health had prevented him from participating in active sport. However, before his misfortune we saw a lot of him. He was an outstanding bowler and won the Club Pairs Championship a few years back in partnership with Morry Healey. A good bowler, a great fellow and a very sad loss to Tattersall's.

January P.S. to "Mighty" Jim Comans

DEXTER HALF POINT AHEAD FOR "NATIVE SON"

Congratulations go to our "mighty" contender Jim Comans for his victory in the January Point Score. Also to John Dexter who holds a slender half point lead in the "Native Son" Trophy.

A well-judged and deserved victory for Jim Comans in Jan.-Feb. point score from David Dind, who was $1\frac{1}{2}$ points astern, with Ken Humphery a further $1\frac{1}{2}$ points away in third place.

Sammy (alias "Clarence the Clocker") has been in his element during the last few weeks, and as he caught two double events on Tuesday when Arthur O'Connor, practising Jim Coman's touch, allowed Johnny Dexter a dead-heat costing both Arthur and Johnny a second apiece, this was followed up later by Mark Dowling coasting along and Bob Harris joined him at the finishing line, both being docked a second; others to lose a second during the month were Ken Humphery and Robt. Grayson.

Members on the second and fourth floors panicked when they heard a terrific roar, sounded as if the waters of the pool had collapsed, but it was only the lads of the Swimming Club roaring their approval of the time recorded by Ken Humphery and Johnny Dexter. The results last month kept a grin from ear to ear on the face of our (popular Honorary Handicapper) Clive Hoole, with 4 dead-heats and every event won by the proverbial clipped fingernail.

Feel sure when the improvements to the Club are contemplated it will be an absolute necessity for a Magic Eye Camera to be installed.

Our popular Hon. Secretary, Jack Dexter, together with Babe, are enjoying a vacation in Perth, taking in the swimming carnival. Fred Harvie, who returned from abroad during the week, met Jack in Perth, bringing greetings to all the boys.

Best times during the month were P. Blake, 18.9; W. Kendall, 19.1; K. Humphery, 20 and 20.3; B. Galea, 20.5; R. Harris, 20.9.

Newcomer John Douglas had his first swim on Tuesday. Be a regular, John, and your handicap will soon tumble down.

Heard Dick Dowling saying he could still beat son, "Mark". Have my doubts, "Dicky Boy," that you could; Mark is really swimming well, and the old saying, "Youth will be served."

Our tall Handball secretary and swimmer, Norm Rogers, not only tall in stature, but also in generosity and geniality, has been unlucky with his horse, "Prince Yeowie," running second, last couple of starts. Hope he registers No. 1 in the near future. Good luck, Norm.

Nice to see Alan Penfold back with us again. Alan took out 2nd Div. Final on Tuesday, in 23.4.

Congratulations to Sam Peters, a supporter of the Swimming Club for many years, on being elected Chairman of Cumberland County Council.

Club Championship Finals

Some very excellent matches characterized the latter stages of the Club Championships in all grades. All players deserve congratulations on the standard of play achieved and we are all looking forward to the finals with great interest.

The Club Handball Championship progressed very rapidly over the past few weeks, and have reached the stage where next month I will be able to report in full and inform you who the Champion Handballer of Tattersall's Club is. Also who the champions are in B and C Grades.

The results up to date are shown in the box.

Norman Rogers has reached the final. Bruce Galea plays Bruce Partridge to decide who will be his opponent.

Each match in the above series was excellent. All were keenly contested. Norman Rogers excelled himself in his match with Ralph Davies. The first set was very close at 21/17 in favour of Norm. In the second set he was unbeatable. He produced shots which, he admitted afterwards, he did not know he could play. It was hard luck for Ralph to meet him in such devastating form.

Previous to meeting Rogers, Ralph Davies met Eddie Davis and I cannot let this opportunity pass without telling you what a marvellous match it was. Over the years you have all read in these notes what a magnificent match player Eddie Davis is. Well, let me tell you that he is still a top-grade player. He was always on top in the first set which he won 21/17. In the second set he went down with flying colours to lose at 13/21. During this set he suffered a cramp in one of his legs, and was forced to retire. This was a great pity, as I feel that had he been able to continue that the result could have been very close.

The other matches resulted in a win for Fred Hayes against Bill Hannan, 21/15, 21/6. It was a comfortable win for Fred. During the following week Fred met Bruce Galea and lost by 21/10, 21/10. He played very well too, and to take 10 points in each set was a very good performance and gave an indication that should Rogers or Partridge reach top form in their match with Galea an upset would not be out of the question.

B GRADE

Here we have a number of results after many keen matches. (See results.)

This competition has now resolved itself and the finalists are Jim Comans v. Syd Kay.

The best matches in this series were Syd Kay v. Ken Glass and Bill Kirwan v. John Brice. In the Kay v. Glass match the scores of 21/16, 16/21, 21/19 in favour of Kay gives you some indication of the closeness of the match. Both men played handball worthy of any

A-grader. When you consider that over the three sets that Syd Kay scored 58 points against Ken's 56 points you can imagine what a wonderful match it was. Congratulations, Syd, and commiserations, Ken.

Bill Kirwan was at his best when he defeated John Brice, 21/15, 21/17. On his day, Bill can be very good, and this was his day. He did everything right, and he fully deserved a grand win. The following week he met Syd Kay, and although he was defeated 21/15, 21/17, he can take consolation from the fact that he met Syd Kay right at the peak of his form.

Jim Comans had a very comfortable win against Bob Adams, 21/11, 21/14. Andy McGill defeated A. Davis, 21/18, 21/16, and this put them both in the semi-final. Unfortunately, Andy McGill then had to drop out of the event, and gave a "walk-over" to Jim.

The match between Syd Kay and Jim Comans should be a beauty.

C GRADERS

These chaps have also been very busy, as the accompanying results show.

This puts Ron Spencer in the final. The other semi-finalists are David Morrissey v. Arthur O'Connor.

Most of these matches were very close, as you will see from the scores. However, space will not permit me to give you a full description of them, but congratulations to all the contestants for a good job.

"GOOD IDEA TROPHY"

Our next competition will be for the "Good Idea Trophy" donated by our very good friend, Arthur Browning. This trophy is one which is highly prized by our members, and keenly sought after. It is a knock-out handicap event of one set 41 points up, with scores commencing at handicap. Entries are now being taken, so do not fail to put your name on the list, which is on the notice board.
